THE TRAINING YOU NEED, WHEN YOU NEED IT.

NWFA members are a diverse group of business partners who each serve an important role in the hardwood flooring supply chain. As such, we recognize that each of you also have unique training needs. To better support you, we have developed a range of engagement levels so you can take advantage of the University in ways that make the best sense for your company.

LEVEL 1: All-Access Pass Subscription & Company Teams

Includes:

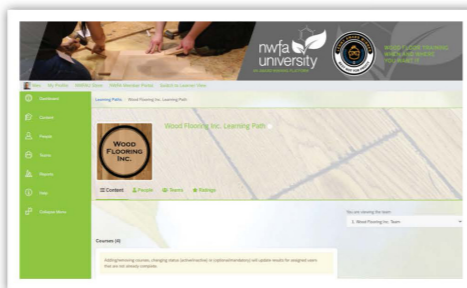

- Access to all 300+ industry specific NWFA eLearning courses and recorded webinars for your employees.
- Group your employees into teams by company or branch.
- Designate Team Leaders to monitor and guide employee progress.
- Run reports to view/export employee training data.

LEVEL 2: Company eLearning & Hosting

Includes:

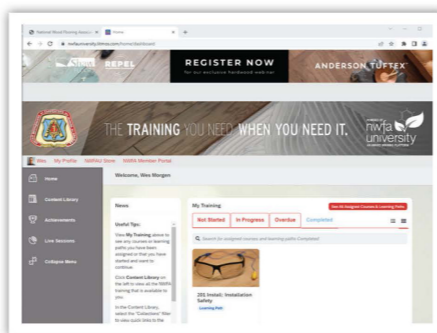

- Provide company-specific eLearning assets (videos, documents, courses) on the University.
- Provide custom learning paths combining company & NWFA courses for job-specific learning.
- Requires Level 1

LEVEL 3: Company Branding

Includes:

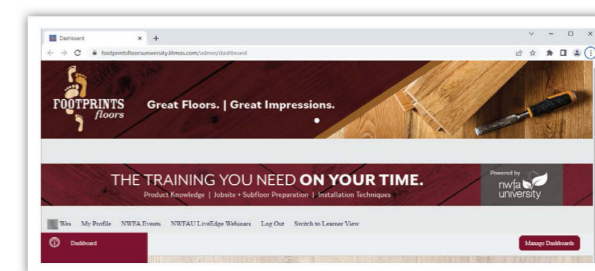

- Customize your team's experience by branding the University to reflect your company.
- Customize navigation, dashboards, course player, and banner with your logo and colors.
- Customize email notification templates.
- Requires Level 1

LEVEL 4: Company University Site

Includes:

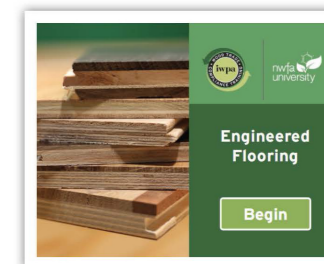

- Autonomously manage your own fully functional University site.
- Have your own branded login page and URL.
- License NWFA eLearning courses for access on your site.

LEVEL 5: eLearning Development

Includes:

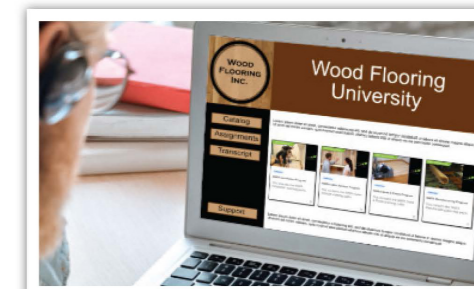

- Rebrand existing NWFA courses to reflect your company branding and product images.
- Design and develop eLearning & video content for your company.
- Requires Level 1 & 2 (if hosting is also needed)

LEVEL 6: License NWFA eLearning

Includes:

- Host NWFA eLearning courses on your own learning (LMS) website.
